Case No. 6:94-CV-03099-MDH

ORDER

Before the Court is the Government's Motion for Conditional Release. (Doc. 82). Pursuant to the governing law and in accordance with Local Rule 72.1 of the United States District Court for the Western District of Missouri, the government's motion was referred to the United States Magistrate Judge for preliminary review under 28 U.S.C. § 636(b).

The Magistrate Judge submitted a report and recommendation to the undersigned wherein he found by a preponderance of the evidence that Defendant has recovered from his mental disease or defect to such an extent that his conditional release under a prescribed regimen of medical, psychiatric, or psychological care or treatment would no longer create a substantial risk of bodily injury to another person or serious damage to property of another and recommended the Motion for Conditional Release be granted subject to the condition enumerated by the warden. (Doc. 85). Defendant agreed to waive the statutory 14 day waiting period in which to file exceptions. Therefore, the matter is ripe for review. After a review of the record before the Court, including the Risk Assessment Report (Doc. 82-1), the Court agrees with the Report and Recommendation issued by the Magistrate Judge and in accordance with such:

IT IS HEREBY ORDERED that the report and recommendation (Doc. 85) of the United States Magistrate Judge is **ADOPTED** and that the government's Motion for Conditional Release (Doc. 82) is **GRANTED**.

He shall follow all the rules, regulations and instructions of the treatment staff and comply with the treatment regimen recommended.
4. That he shall continue to take such medication, including injectable units, as shall be prescribed for him by the medical provider.
5. That he shall waive his rights to confidentiality regarding his mental health treatment in order to allow sharing of information with the supervising U.S. Probation Officer and other mental health treatment providers, who will assist in evaluating his ongoing appropriateness for community placement.
6. That he shall refrain from the use of alcohol and illegal drug usage, as well as the abuse of over-the-counter medications, and submit to random urinalysis testing as warranted by treating mental health staff and/or the probation officer. This also includes participating in substance abuse treatment as deemed necessary.
7. That he shall not have in his possession at any time actual or imitation firearms or other deadly weapons and he may not write, say or communicate threats. He shall submit to a warrantless search on request of his U.S. Probation Officer or any law enforcement officer of his person or property for the purpose of determining compliance with this provision and shall permit confiscation of any such contraband .
